

IT'S HARD BEING A KID!

Sometimes, being a kid is not easy at all. There are so many things we have to do, even when we don't feel like it. We have to go to school, do our homework, make our beds EVERY DAY, clean our bedroom, and brush our teeth. And worst of all, we always have to eat ALL our vegetables, no matter what!

What are some of the chores you have to do at home?

GROWN-UPS ARE SO LUCKY I CAN'T WAIT TO GROW UP!

Grown-ups are so lucky. They get to do whatever they want and they never have to do anything they don't want to do. Grown-ups never have to sit at the dinner table and eat something they don't like, they get to stay up late if they want to, and they can walk barefoot around the house without anybody saying anything. It's just not fair. I can't wait to grow up!

KIDS HAVE IT TOUGH!

Kids never have it easy! Everywhere we go there are rules and a grown-up to make sure that we follow them. At home we have our parents who are always reminding us to pick our socks off the floor and to hang up our coats. And at school there are so many rules, our teachers gave us a list to help us remember them all.
