

In the Last Supper, Jesus ate bread and drank wine to offer his Body and his Blood.

When you receive communion and take part in the mass prayers and hymns, you will participate in this union with Jesus together with those around you.

In the church, you will all listen very attentively to the readings and will be dressed very elegantly.

But you should know that the most important thing about this day is to summon up the sentiments of Jesus.

The prettiest thing about the ceremony will be when you say the Lord's Prayer aloud together with your parents, relatives and companions. It will be a very emotional moment, because you will express your desire to live according to the gospel and to follow the faith of the church.
