

On Christmas we celebrate the birth, many years ago of a child called Jesus. Each of us celebrates our own birth on our birthday. When is your birthday?

Christmas is celebrated almost worldwide, although in each place, the decorations, food prepared and songs sung are different. But in all of these places, we share the feelings of love, happiness and solidarity.

When the Christmas festivals approach, the streets in many cities and towns are filled with lights, the shops are decorated and in the most central avenues, you can hear the music of Christmas songs. What is your favorite Christmas song?
