

Butterflies in colors

Fairies change size when they need to.
Sometimes, they are as small as butterflies.

Then they blend
in with them.
You have to be
very attentive!

Clothing and accessories

Most fairies make their clothes themselves from leaves and flower petals and stamens.

We give the hair some shape.

We give the arms and legs volume and draw the wings.

We draw two geometrical shapes.

One more shape for the neck.

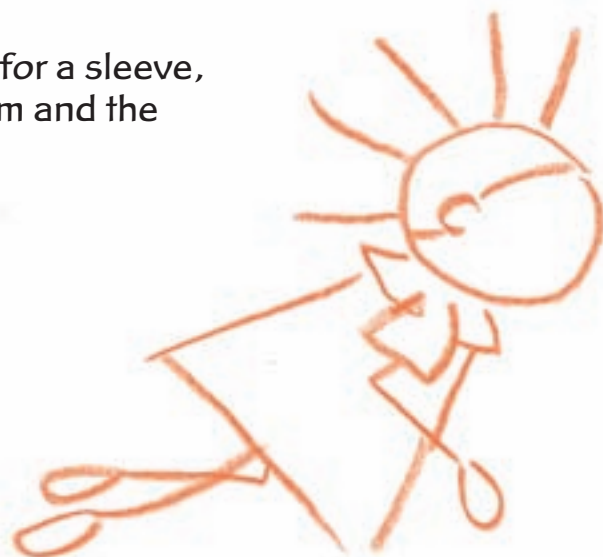

3

We trace the hair.

4

Now for a sleeve, an arm and the legs.

Fairy Amy loves to collect grains!
