

If you have to wash him, don't try to put him
in the bath in your house. He won't fit.
You'll have to build a special bath just for him.

When the school bus breaks down it's great,
because my friend takes us.

It's nasal cavities
are on the top
of its head.

It had a small,
convex head.

It had a very long neck.
The brachiosaurus looked much
like the modern day giraffe.

It's back was
curved like
that of giraffes.

It could reach 16 meters high
and 25 meters long and could
weigh up to 80 tons.

It had a large,
long tail.

Its front legs were longer than
the back ones. (It was the only
dinosaur with these characteristics).

The Brachiosaurus
