

THE NAUGHTY AND THE NICE

Mack is quiet, very polite and gets along with everybody. Zachary on the other hand, also known as “the Naughty Twin,” is loud, rude and seems to find himself in some kind of conflict way too often. Unlike Mack, who stays away from conflict, Zachary goes out of his way to cause trouble. But after what happened last week, Zachary is trying really hard to change his ways.

THE NAUGHTY TWIN STRIKES AGAIN!

"Oh yeah, we'll see about that!" Zachary said. Then all of a sudden, without any warning, Zachary jumped on his skateboard, swooped down the ramp and ran right into one of the other boys. He hit him so hard that he sent the boy flying flat on his face, knocking out his two front teeth! "You'll pay for this!" The boys warned as they walked away.

ZACK FINALLY GETS IT!

Mack doesn't remember what happened after that or even how he got home. He was hurt pretty badly. It took a while before he could tell his parents and Zachary what had happened because he was so shaken up. And when he did, for the first time in Zachary's life, he realized what he had done. Zachary knew it was his fault that Mack haad got hurt. If only he had got along with those boys and hadn't caused a big brawl, none of this would have happened. But it did happen and now he had to stand up and confess.
