

Just like the real Olympics, THERE WILL BE A LOT OF CHALLENGES. There will be running races, jumping over hurdles, obstacle courses, throwing competitions and even archery. How cool is that!

I can't wait for archery. I get to shoot a suction-cup arrow at a target. It sounds tricky but if I try hard, I know I can do it! Maybe...

But Mrs. Smitt wouldn't let me.

As soon as she saw me huffing and puffing and stomping my feet, she came over to me immediately and told me "You can do it."
I WANTED TO BELIEVE HER BUT I DIDN'T KNOW HOW.

"Take a deep breath" Mrs. Smitt said, "The Stallions need you!"

And that's what I did! I took my time and tried my best.
I DIDN'T GIVE UP. I DIDN'T RUN AWAY. I WAS PERSISTENT.

Everybody was a winner that day! We all worked hard
and had fun. Just like our cheer, we did it! We were
persistent! Go Stallions!
